A royal welcome aboard the MS Regina-Rheni

Regina-Rheni

Joining the Rijfers River Cruises fleet in 2011 is the first class, 154 passenger MS Regina Rheni. This modern, purpose built sleek river vessel offers considerable comfort in both her well designed cabins and spacious public rooms. All cabins have outside views. Cabins on the upper and middle decks measure 151 square feet and have large windows which slide open. Cabins on the main and lower decks measure 120 square feet and have smaller windows. Cabin facilities include a private bathroom with shower, television, telephone, safe, hairdryer and individual climate control. The public areas include a single sitting dining room with panoramic views where excellent cuisine is served, observation lounge and bar with panoramic windows, library and shop, internet station and large observation deck. A particularly nice feature is the walk around, open air promenade deck.
